SECTION 1

From

M.G. Rama Rao, Esquire, B.A.,
Conservator of Forests in ~~Mysore.~~

To

C.S. Balasundaram Iyer, Esquire, B.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
General Department,
Bangalore.

Sir,

I have the honour to state that in my address delivered on the occasion of the opening of the Forest Conference by the Dewan Saheb, I dealt with the necessity of publishing a Scientific Journal every quarter, to record the varied activities of the Department and to serve as a medium for the useful discussion of the different Forest Problems. It has since been resolved to issue the 1st. number early next month.

The expenditure connected with the publication is expected to be about Rs. 250/- per annum. I learn that the Government have been pleased to contribute annually funds for the publishing of the annual proceedings of Engineering Conference and the quarterly bulletins.

As the Forest Association is still in its infancy and cannot afford the necessary expenditure and, as the publication of the Quarterly Journal will help materially the solution of

various difficult problems peculiar to the Forest Department, I request that the concession allowed to the Engineering Association may kindly be granted to the Forest Association as well.

As the Journal is to be issued in the early part of next month, I request that orders may be kindly obtained early.

I have the honour to be,

Sir,

Your most obedient servant,

Conservator of Forests.
